For Immediate Release - February 25, 2016

TD- Newmarket jazz+ Festival Expanding to Ray Twinney Recreation Complex

TD-NJF needs a larger indoor venue to ensure sustainable growth and public safety. The festival has enjoyed three years of development at Riverwalk Commons and Main Street, working with the Town, Newmarket Farmers Market and local businesses. Weather and growth concerns have necessitated a move. While main attractions of the festival are moving to the Ray Twinney Recreation Complex (“RTC”) we intend to continue development of festival activities at Riverwalk and on Heritage Main Street. We need continued community support during this growth phase.

Indoor at RTC we will offer regular and head-lining acts to fill Arena One; as well as food vendors, beer/wine, children’s activities, Mardi Gras North and all that jazz! RTC’s capacity of over 3000 patrons provides us a ‘safe’ space in case of inclement weather. Outdoor at RTC we will set up a gated area to the southwest of and attaching to Arena One complete with stage, vendors and a beer/wine garden.

Tickets available on line soon with great specials for advance ticket purchases.

We appreciate your support. Volunteers & Sponsors needed!

Attend the 2016 TD-Newmarket jazz+ Festival – July 29, 30, 31 & Aug 1st
