**Students Seize the Summer with TD-Newmarket Music Festival!
*Interns with Heart...and a Grant***

TD-Newmarket Music Festival (“TD-NMF”) is an award winner, recognized as one of Ontario’s Top 100 events by Festivals & Events Ontario in 2012 and 2016.

This year TD-NMF is pleased to announce receiving \$39,905 through a Canada Summer Jobs (“CSJ”) grant. This grant allows Festival Organizers to provide leadership training and employment for Canadian youth. It also helps create a team of enthusiastic interns, whose contagious energy becomes invested in the festival, the Town of Newmarket and York Region.

The 2018 team is comprised of divergent, creative students from Newmarket, Aurora, Caledon, Oakville, Richmond Hill, and North York who will run the festival with GM, Sher St. Kitts. TD-NMF and the 2018 interns wish to express appreciation and thanks to the Federal Government, and Kyle Peterson, Member of Parliament for Newmarket-Aurora for making this possible.

“I am proud that the Canada Summer Jobs program is helping to create job opportunities for youth in Newmarket-Aurora this summer. The experiences and skills that our young people will gain from the summer jobs will be valuable for their future careers.” Kyle Peterson, Member of Parliament Newmarket-Aurora

“Canada’s young people are not just the leaders of tomorrow—they are leaders today. That’s why our government is focused on ensuring more young Canadians get the skills and training they need to thrive. By helping more young Canadians get paid, meaningful work experience, we can ensure they have a fair shot at success.” The Honourable Patty Hajdu, Minister of Employment, Workforce Development and Labour.
